Community Participation:

Membership in this historic community comes with the responsibility of park stewardship. We are an all-volunteer organization and depend on our members under 65 years of age (per FGS Guidelines & Regulations) to pitch in over the course of the gardening season. Volunteering for 3 Community Participation Days (CPDs) or other approved volunteer projects satisfies your annual commitment. Please check the CPD months that fit best with your schedule. We'll do our part by sending email updates by the first of the month with specific meeting dates and times, as well as planned CPD project lists. For any FGS group gatherings, we'll always abide by city and state COVID-19 guidelines. Also, please remember that the more you volunteer the more FGS friends you make!
