ARTICLE XVIII – INDEMNIFICATION

To the extent legally permissible, including to the extent that the status of the FGS as exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the "Code") is not affected thereby, the FGS shall indemnify each person who may serve or who has served at any time as an Executive Committee member, Officer, Appointive Officer or committee member of the FGS, or who at the request of the FGS may serve or at any time has served as a director, officer or trustee of, or in a similar capacity with, another organization, against all expenses and liabilities, including counsel fees, reasonably incurred by or imposed upon such person in connection with the defense or disposition of any action, suit or other proceeding, whether civil or criminal, in which such person may be involved or with which he or she may be threatened, while in office or thereafter, by reason of his or her serving or having served in such capacity (other than (i) a proceeding voluntarily initiated by such person unless he or she is successful on the merits, (ii) a proceeding authorized by at least a majority of the full Executive Board, or (iii) a proceeding that seeks a declaratory judgment regarding his or her own conduct); provided, that no indemnification shall be provided for any such person with respect to any matter as to which he or she shall have been finally adjudicated in any proceeding not to have acted in good faith in the reasonable belief that his or her action or omission was in the best interests of the FGS. Such indemnification may, to the extent authorized by the FGS, include payment by the FGS of expenses incurred in defending a civil or criminal action or proceeding in advance of the final disposition of such action or proceeding, upon receipt of an undertaking by the person indemnified to repay such payment if he or she shall be adjudicated to be not entitled to indemnification under this Article, which undertaking may be accepted without regard to the financial ability of such person to make repayment.

A person entitled to indemnification hereunder whose duties include service or responsibilities as a fiduciary with respect to a subsidiary or other organization, including an employee benefit plan, shall be deemed to have acted in good faith in the reasonable belief that his or her action was in the best interests of the FGS if he or she acted in good faith in the reasonable belief that his or her action was in the best interests of such subsidiary or organization or of the participants or beneficiaries of, or other persons with interests in, such subsidiary or organization to whom he or she has a fiduciary duty.

The payment of any indemnification shall be conclusively deemed authorized by the FGS under this Article, if:

- (a) the payment has been approved or ratified (i) by at least a majority vote of a quorum of the disinterested Officers or

(c) the Officers have otherwise acted in accordance with the standard of conduct applied under Chapter 180 of the Massachusetts General Laws.

The indemnification provided hereunder shall inure to the benefit of the heirs, executors and administrators of a person entitled to indemnification hereunder. As used in this Article, an "interested" person is one against whom in such capacity the proceedings in question or another proceeding on the same or similar grounds is then pending.

The right of indemnification under this Article shall be in addition to and not exclusive of all other rights to which such person may be entitled. Nothing contained in this Article shall affect any rights to indemnification to which FGS employees or agents other than persons entitled to indemnification hereunder may be entitled by contract or otherwise under law.

No indemnification, reimbursement or other payment may be made under this Article with respect to penalties imposed under Section 4958 of the Code to the extent such indemnification, reimbursement or other payment would cause the total compensation of a person to exceed "reasonable compensation," as defined in the Treasury Regulations to the Code and as determined by the Executive Board. To the extent that any such payment is made, the amount of such payment may be reduced by any amount determined to exceed reasonable compensation. Any such reduction shall be determined by the Executive Board. Further, if at any time the FGS is deemed to be a private foundation within the meaning of Section 509 of the Code then, during such time, no payment shall be made under this Article if such payment would constitute an act of self-dealing or a taxable expenditure, as defined in Section 4941(d) or Section 4945(d), respectively, of the Code.
